BOXER LEADER ON WRECKED RIO

Escapes Drowning and Is Now Hiding in Chicago.

Associated Press Dispatches by The Tribune's Special Leased Wire.

CHICAGO, March 8.—The Tribune says:

Chinatown was excited last night by the report that a fugitive boxer leader, fleeing from the wrath of the powers, had reached Chicago. A leader in the colony was authority for the story.

The fugitive fled from Peking, he said, two months ago, when Count von Waldersee put a price on his head.

During the day it was reported that the fugitive was hiding with a friend. There he told his story of his escape from China and last night a secret meeting was held among Chicago Chinamen to provide means for the boxer to get out of the city.

The fugitive, his countrymen said, was educated in Paris and Vienna at the expense of the Chinese government. Then came the murder of Baron von Ketteler, the siege of the legations and the arrival of the relief expedition. Then it was, as the report had it, that this boxer leader shipped on the ill-fated steamer City of Rio de Janeiro as common seaman and when the ship was wrecked in the harbor of San Francisco he helped to save pilot Jordan.

In San Francisco, it is said, the fugitive sought the aid of the highbinders who, fearing the Six Companies, would deliver him to the authorities, aided him to escape to Chicago.

FINE LEGAL POINT IN WAKEFIELD ESTATES.

A fine legal point has been raised in regard to the estates of Mrs. Sarah Wakefield and her daughter Naomi who were lost in the wreck of the Rio de Janeiro. A question ha been raised as to whether it was the mother or daughter who died first. If the former died first, then the daughter's estate will amount to about one-third of that left by her mother. If, however, the daughter died first, the bequest left her in her mother's will has lapsed.

Two applications for letters of administration on the daughter's estate have been filed. One by her aunt, Mrs. Ruth Miller, and one by Public Administrator B. C. Hawes. The former contends that the daughter died first. The latter alleges that the mother being the elder, died first. The question involves about $30,000 worth of property.

Two Cottages Destroyed.

The alarm at 11.30 last night was for a fire at East Ninth street and Seventh avenue, where two cottages, one occupied by the O'Banion family and the other vacant, were almost totally destroyed. The origin of the fire, which started in the vacant house, is unknown.

Plumbing Corporation.

The Barker & Kinney Company has been incorporated with a capital stock of $100,000, which has been fully subscribed as follows: James L. Barker, $45,000; Ralph W. Kinney, $45,000; Frederick P. Barker, $2,000; James H. Wright, $6,000; Charles L. Lauffer, $2,000. The firm will deal chiefly in plumbing supplies.

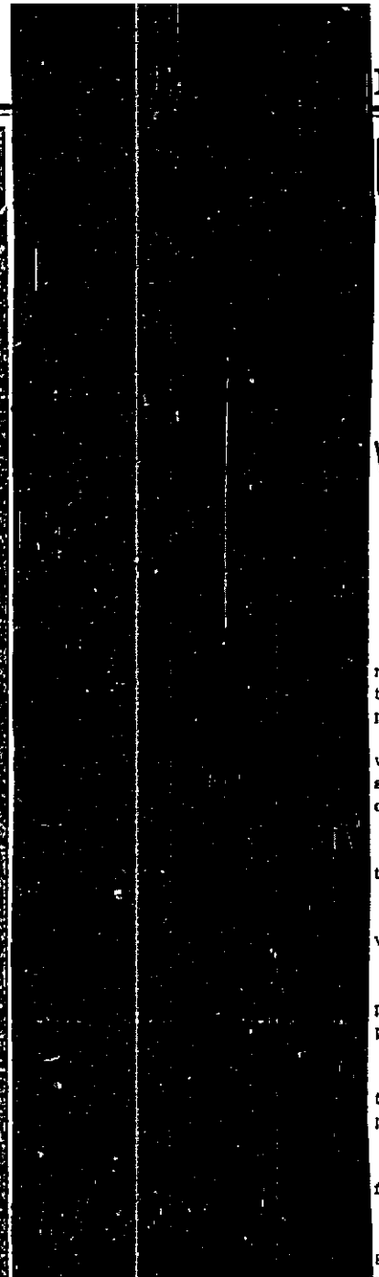

FEED CHILDREN

On Properly Selected Food. It Pays Big Dividends.

If parents will give just a little intelligent thought to the feeding of their children, the difference in the health of the little folks will pay, many times over, for the small trouble.

A mother writes saying, "Our children are all so much better and stronger than they have ever been since we made a change in the character of the food. We have quit using potatoes three times a day with coffee and so much meat. Now we give the little folks some fruit, either fresh, stewed or canned, some Grape-Nuts with cream, occasionally some soft boiled eggs, and some Postum Food Coffee for breakfast and supper. Then for dinner they have some meat and vegetables. It would be hard to realize the change in the children, they have grown so sturdy and strong, and we attribute this change to the food elements that, I understand, exist in Grape-Nuts and Postum.

"A short time ago my baby was teething and had a great deal of stomach and bowel trouble. Nothing seemed to agree with him until I tried Grape-Nuts softened and mixed with rich milk and he improved rapidly and got sturdy and well." Gratefully, Mrs. ———, Oakes, N. D. Name given upon application to Postum Cereal Co., Battle Creek, Mich.

AFTER THIRTY YEARS HE FILED ACCOUNT.

Henry Kirk Goddard, who last week was summarily ordered by Judge Greene to file a new account of his administration of the estate of Fanny Goddard, has complied with the order of the court. His account during the thirty-four years he has been acting as administrator he has received $3,100 and that he has expended $200 in excess of this sum. The item of $1,600 cash, which he omitted to mention in his first account, is made a part of the receipts in the present account.

Goddard was the adopted son of Mrs. Goddard and was bequeather the bulk of the estate. One bequest of $1,000 to Mrs. Sarah Rutherford has been paid. A similar bequest to Rev. S. H. Willey for the benefit of the First Congregational Church, has not been paid. Goddard denies that the furniture was worth $1,000 or any greater sum than $100. He says he does not remember exactly what his receipts and expenditures were. He says he does not know how much rents he has received, but that he believes he expended $500 for repairs. The account will come up before Judge Greene for settlement. Mrs. Goddard died in 1867.

DE ROSA DENIES HE HAS A WIFE.

Manuel de Rosa has filed an answer to the suit brought by Stella Rosa for maintenance. He denies that the woman is his wife or that she has any claim upon him for support. He says that he permitted her to occupy his home rent free in Alameda during his absence on a whaling vessel. When he returned he learned that the woman had homesteaded the property. He then filed suit to eject her and recover the property. In turn Mrs. de Rosa filed suit for maintenance. She declares that de Rosa has introduced her as his wife and that he is the father of her 7 months old child. He says he has no property besides that where Mrs. de Rosa resides. His attorneys, T. F. Garrity and W. F. Donovan, are endeavoring to have the case tried as soon as possible so he can go to sea again.

Berkeley Postmaster.

A commission was issued yesterday in Washington for George Schmidt as postmaster of Berkeley.

MILLER CALLED DOWN.

William Moller Shows Engineer Up in His True Light.

M. K. Miller, the agricultural engineer, gave the following testimony in the water rate case on trial in the Superior Court:

"You made plans for pumping salt water into Oakland for the purpose of sprinkling the streets?" asked McCutcheon.

"Yes.

"Did you recommend pumping it through vitrified pipe?"

"With an exception, I did."

"It is the kind of common earthenware pipe used for sewers, is it not?"

"Yes."

"You recommended the use of that pipe to force water through with a pump?"

"I said I did with an exception."

"Do you consider it good engineering to use that kind of pipe for such a purpose?"

"I recommend it."

"Do you know of its ever being used for such a purpose?"

"No."

"Did you ever hear of any other engineer recommending its use for such a purpose?"

"No."

WILLIAM MOLLER SAYS.

WILLIAM MOLLER OF THE FIRM OF DALZIEL & MOLLER, A PROMINENT AND PROGRESSIVE CITIZEN LAST EVENING SAID:

"IT DOES NOT TAKE AN ENGINEER TO KNOW THAT VITRIFIED PIPE IS NO GOOD. WHY, THE CITY WOULD NOT PERMIT A PLUMBER TO LAY IT UNDER A HOUSE FOR A SEWER."

So much for M. K. Miller's $5,000 report to the Council.

Sale of Property.

Walter G. Manuel, as administrator of the estate of G. W. Manuel, deceased, has filed a return of sales of real estate, showing the sale of a piece of property on Broadway, near Twenty-second street, to Z. T. Gilpin for $6,000.

Released on Probation.

Perry Wilson, who was arrested a few days ago for failing to support his wife and eight children in Fruitvale, has been released from jail on sixty days' probation. He has promised to support his family.

Will of A. Stehle.

The will of Adolph Stehle, which has been filed for probate, leaves $1 to the son, Charles F. Stehle, and the remainder of the estate to the widow, Johanna Stehle.

CATARRH OF THE STOMACH

A Pleasant, Simple, But Safe and Effectual Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and, not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher, Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of the stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free on stomach troubles, by addressing F. A. Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.

The men were engaged in placing a charge of dynamite at the top of a bluff when the explosion occurred. STRONG ON GREEK BUT WEAK IN LAW

Colored Lawyer Beats High School Professor in Court.

Prof. E. F. Burrill, of 1516 Bancroft way, Berkeley, teacher of Greek in the Oakland High School, tried his hand at law in Justice Quinn's court today and lost, the attorney on the other side being Thomas Pierson, the colored practitioner.

Burrell's client was his wife, who conducts a boarding house at the place mentioned. The complainant was a colored girl named Lucy Reed whose wages Mrs. Burrill had refused to pay. Mrs. Burrill at one time alleging that she did not have the money to pay her with and, at another time, that she would pay when she got ready. Burrill tried to make the point that Pierson had agreed to the offer of Mrs. Burrill to pay the wages after the expiration of a number of days and that that in effect was a new contract. Pierson contended that there could be no contract without a consideration. The court held in that way as also that the girl was entitled to a judgment for the amount sued for and costs, amounting to $36.25. Burrill then paid the amount of the judgment.

Judge Ellsworth has decided that Ike Fiel is not entitled to damages against Salinger Bros. for an alleged breach of contract. He was suing for $2,000.

Some time ago Fiel rented space in Salinger Bros.' store and laid in a stock of stationery and other articles, claimed that the firm violated its contract when it began to sell similar stock to that which he was carrying. The defense was that Fiel did not keep stock of sufficient quality or in sufficient quantity to maintain the reputation of the store. C. G. Dodge was attorney for the Salingers.

THIRD WARD IS FOR REPUBLICANISM

Jas. A. Johnson Fires Hot Shot at the Fakirs.

Labor Agent Mullens Speaks for the Ticket.

The Republican rally held in the Third Ward last evening was one of the most successful during the present campaign. An exceptionally large crowd gathered to hear the speakers and the enthusiasm ran high. All of the candidates were applauded heartily. The candidates residing in the Third ward were cheered to the echo whenever their names were mentioned.

CHAIRMAN REED.

The meeting was called to order by George W. Reed. He said the meeting had been convened for the purpose of making preparations for the election. He asked that as many as could would volunteer their services for that day.

"From present indications," he continued, "I am convinced that every candidate on the Republican ticket will be elected. The canvass made by the Central Committee shows this to be certain. It is also shown by a comparison of the meetings that have been held. All of the meetings held by the Republican candidates have been well attended and enthusiastic, while those of the Municipal League have been very sparsely attended and there has been an utter lack of enthusiasm. Gentlemen, I know that when the returns are counted they will show that every candidate on the Republican ticket has been elected by handsome majorities. I ask you voters of the Third ward who have always stood by the Republican party and made this the banner Republican ward in the city, to again prove your allegiance by casting your vote for the nominees of the Republican party.

"I wish to introduce to you a young man who is well known to you—a man who will honestly and conscientiously serve you, if you will elect him to the City Council. That man is Robert B. Gaylord." (Applause.)

R. B. GAYLORD.

Robert B. Gaylord, candidate for Councilman-at-Large, spoke as follows:

"The pivot on which the whole Municipal League campaign has revolved, has been the single general charge that all bodies and all nominees other than themselves have been corrupted and divested of all regard for the welfare of the city. Both reason and fact have been against this argument. There are thirty-two men upon the Republican ticket. If the Water Company were in politics it would need only, in order to accomplish the purposes, a majority in the Council—six men. And yet it is claimed that the corporation is so generous with its money that it has bought up thirty-*two men—five times as many as it* needs—and both the Republican and Democratic parties to boot. The argument is palpably false upon its face. The facts too are against it. Our platform is as specific as any can be, and it is plain in its declarations which bind the nominees in all respects, to resist any encroachments upon the rights of our city on the part of the Contra Costa Water Company. We have stood squarely upon every plank of our platform—not one provision selected here and another there—but upon it in its entirety, and if elected we expect to carry it into execution without hypocisy or evasion.

"If any city in the Union needs improvement and progress it is Oakland. We have streets in the annexed district, and even in the center of town which would be a disgrace to a backwoods village; and our commercial interests have been neither fostered nor encouraged. Surely an infusion of energy and enterprise is of vital necessity.

"In the campaign, we do not ask you to accept our statements without question because we make them, nor do we want you to believe the charges against us simply because they have been sent forth. We ask you to exercise the duty and the privilege of every true American citizen, and to investigate for yourselves. Look beneath the surface; get at the facts; do not judge by appearances, but go down to bed-rock, and we have no fear of the decision which will be rendered on Monday next."

GEORGE FITZGERALD.

George Fitzgerald, candidate for Councilman from the Third ward, spoke briefly as follows:

"Gentlemen, I have lived and grown up in this ward. I was born in this city very close to the boundary line of the ward. I have made my living by working at my trade, as most of you know. If elected I will honestly and fearlessly work for your interests and I will always be ready to receive suggestions from those I represent." (Applause.)

Chairman Reed remarked from the reception Fitzgerald received it was apparent that he would receive nearly every vote in the ward next Monday.

A. C. SCHLESINGER.

Adolph C. Schlesinger was next introduced as a man who, if elected, would look after the interests of the public schools. He said in part:

"Gentleman, I did not come here to speak of any of our candidates, but to talk about the Republican ticket. I want to tell you of some of the things that need to be righted. I want to tell you that owing to the loose expenditures of the City Council the public schools are now facing a deficit of $17,000. Where has the city's money gone? The sum of $50,000 was sunk into Lake Merritt. Another large sum was expended in digging wells in search of water. Where are our results? Now, what we want is to elect men who we know are pledged to progress and improvement. Give the Republican candidates a chance and they will prove *that your confidence has not been misplaced.*"

GEORGE E. GROSS.

George E. Gross, candidate for City Auditor, said: "Gentlemen, I appear not as an orator, but as a candidate for City Auditor. I have resided in your midst all my life and I am well known to most of you. I ask you to support me and every other candidate on the Republican ticket from top to bottom. (Applause.)

Chairman Reed said it was apparent that Gross would also receive the entire support of the voters of the ward.

Samuel H. Strite, candidate for School Director-at-Large, said in part: "I am a resident of the First Ward and am a candidate for School Director-at-Large. Before my nomination, I was not fighting for the office, but since the Republican party has honored me with the nomination, I have been fighting. I would not wish, however, to be elected, if I knew that I would have to associate with candidates elected on the Municipal League ticket. If elected I will do what I can to promote the public school system. I hope a Council will be elected that will give us some money to work with."

MURRAY LAIDLAW.

Murray Laidlaw, candidate for Library Trustee, said in part.

"Gentlemen, I would like to refer to the Carnegie Library. It is very seldom that a building of that size is erected publicly that there is not some scandal has attached to it. The new library building has been erected without the least friction or scandal. It is a record I feel proud of. I will further say that I favored and voted for the employment of union labor on the construction of the building. If elected I will work as hard for you in the future as I have in the past."

C. B. MORGAN.

C. B. Morgan was introduced as the man who for the next two years would take care of the city's money and cash the warrants audited by George Gross. He spoke in part as follows:

"I have been in business in this city for many years. Now I am seeking to serve the city in the capacity of Treasurer. But I do not wish to speak of myself. I wish to urge upon you the necessity of electing every candidate on the Republican ticket. Do that and you will have a set of men who will work harmoniously together and materially advance the interests of the city."

FREDERICK C. TURNER.

Frederick C. Turner, candidate for City Engineer, was introduced as a man who had valiantly served his country in a military capacity and who had proved himself to be a man who would efficiently serve the people in the office he was seeking. He said:

"If there ever was a time when there was a prospect of this city to go ahead and become a manufacturing center it is now. With the prospect of cheap fuel at hand it looks as if we have nothing more to do than to grasp the opportunities offered. First, we want to make Oakland a beautiful and attractive city. I will not only endeavor to put the streets in good order, but will, to the best of my ability, make such improvements as are needed and which will be provided for by the City Council. In regard to the water question I will say that there is not a candidate on the Republican ticket who has been subsidized. I am pledged to the platform and I will say that there is nothing in it that could be interpreted to mean that the Republican candidates are in any way pledged to the Water Company."

J. A. JOHNSON.

James A. Johnson, candidate for City Attorney, was greeted with loud cheering and cries of "There is only one Johnson." He spoke in part as follows:

"I wish to say one word for the head of our ticket, Anson Barstow. Since I have been in the Council I have had opportunity to see what kind of a man Mr. Barstow is. I can assure you that he is honest and conscientious in every act he does. He has made an honest Councilman and he will make an honest Mayor, and he will undoubtedly be the next Mayor. (Applause.)

"In regard to the Municipal League, Gentlemen, I must say that I would rather see a Democrat elected than one of the nominees of this organization. There are only two parties in this campaign, the Republican and the Democratic. THE MUNICIPAL LEAGUE HAS BEEN OPERATED AND CONTROLLED FOR THE INTEREST OF TWO MEN WHO WISH TO CONTROL THE PATRONAGE OF THIS CITY. Its convention was held in secrecy and haste. Their whole conduct in the campaign has been one of fraud and deception. THE SECRET AND HASTY NOMINATION OF THE THREE CANDIDATES FOR THE OFFICES OF BOARD OF PUBLIC WORKS WAS THE FIRST STEP TAKEN IN THEIR INFAMOUS CAMPAIGN. AGAIN, TO SHOW HOW THEY ARE CONDUCTING THEIR CAMPAIGN, THEY STOLE THE LISTS OF NAMES THAT WERE PREPARED BY COUNCILMAN SCHAEFER, MYSELF AND OTHERS FOR MEMBERS OF ELECTION BOARDS AND SUBSTITUTED NAMES TO SUIT THEMSELVES. This shows their sneaking methods.

"THIRD, THEY HAVE STOLEN THE PLACE OF THE REPUBLICAN PARTY ON THE BALLOT. They have illegally placed their ticket in the first column of the ballot, where the Republican ticket should properly be.

"These charges to the effect that the Republican candidates are pledged to the Contra Costa Water Company are being made merely to raise a false issue. They are scandalous and are not worthy of contradiction. Do you suppose that such a man as Bob Fitzgerald could be bribed, or such a man as Colonel W. C. Little? (Cries of no, no.) Gentlemen, I tell you the charges are absolutely false, and no thinking man will place one iota of credence in such statements.

"What our opponents want is the patronage of the city for the next two years. They want to control the patronage of the Board of Public Works through Manuel, Dow and Miller. Through these men they hope to control the Fire Department, the Police Department and the Street Department. That has been perfectly apparent for some time. If you want to protect the city against this, vote against that trio consisting of Manuel, Dow and Miller.

"I am at present engaged in fixing rates for the water company. THAT MATTER MAY COME UP FOR A VOTE BEFORE ELECTION, OR IT MAY NOT. I DO NOT CARE WHEN IT COMES UP. BUT I WANT YOU TO WATCH MY VOTE ON THAT QUESTION WHEN IT DOES COME UP. AFTER I HAVE VOTED I WILL NOT BE AFRAID TO LOOK ANY HONEST MAN IN THE FACE.

"Now look at what the Municipal League has done in the last eight or ten years. They have done nothing. You have given them ample opportunity to make good their promises and they have failed. Now give the Republicans a chance. Vote for these candidates and you will secure a set of men who will start Oakland in the direction of progress and prosperity."

Colonel W. C. Little, candidate for Councilman-at-Large, said:

"If elected I propose to do the business of the city in a business like way, not as a politician. I will not waste my time in bickering and playing to the gallery. I pledge you that I will do one thing—I will do my duty. (Applause.) I feel that I can serve you well and I hope you will place your confidence in me. I ask you to vote for all of the Republican candidates."

H. H. NORTH.

Hart H. North was called upon for an address. He said:

"Gentlemen, I wish to say just one sentence: Support the Republican ticket from top to bottom."

J. H. MULLEN.

J. H. Mullen, in response to an invitation to speak, referred to the futile efforts made by the Municipal League men to improve the city and urged the necessity of placing men at the head of the city's affairs who could be depended upon to take definite steps in this direction. He said it was of the utmost importance to the laboring man to choose well the men they elected to take charge of the affairs of the municipal government. He referred to the stand taken by Dow against the laboring man and warned the voters not to run into danger by voting for such a man. Referring to Murray Laidlaw the speaker said that he was the only man who had dared to come out openly for union labor and that he was therefore deserving of the labor vote.

The meeting was brought to a close with three rousing cheers for the Republican candidates.

S. H. STRITE, REPUBLICAN CANDIDATE FOR SCHOOL DIRECTOR AT LARGE

S. H. Strite, Regular Republican candidate for School Director at large, is a man particularly well qualified for the position.

He graduated from the Northern Indiana Normal School, completing the scientific course in 1880, having spent four years in that institution. In the same year he accepted a position as head of the business department of the Normal and Scientific Institute, at Bloomfield, Iowa, when after four years of successful work he accepted the principalship of that school, which position he held until 1887. Owing to failing health he was compelled to seek a milder climate. His having was a source of regret to the people of Southern Iowa, and the Board of Regents of that institution expressed their regret at the enforced change by a strong letter testifying to his scholarly attainments, and highly indorsing his ability and success as a teacher.

Coming to California in 1887, he was associated with a former classmate in the conduct of the Sierra Normal College, Auburn, Cal. During his ten years of work in normal schools he attained an enviable reputation as a teacher, and hundreds of his pupils are now prominent educators throughout the Middle West and the Pacific Coast.

After three years of school work in California, a favorable opportunity to enter a business career presented itself. Having bought a half interest in the Union Lithograph Co. of San Francisco, he was for eight years vice-president and treasurer of that company, having only recently, on the death of his partner, sold his interest in that institution.

During his connection with that company he made many friends among the business men of this city, where he has resided for the past ten years. He is at present interested in the Geo. F. Eberhardt Co. of San Francisco.

Mr. Strite has always taken an active interest in public affairs, and especially in all matters relating to public education.

His knowledge of educational matters, and his experience in active business affairs, combine to make him a most desirable and valuable men to have on the City Board of Education.
